Tel: +603-7957 1806

# **Accredited P30® Foundation & Practitioner Level**

# Why P30 ?

A P3O model provides a decision enabling and delivery support structure for all change within an organisation.

# It ensures that:

- Programmes and projects are selected and prioritised to ensure strategic objectives are being achieved.
- The organisation has the capacity and capability to deliver the selected programmes and projects.
- Programmes and projects deliver the benefits needed to achieve strategic objectives.
- Help and guidance is provided for consistent, standardised documentation and processes so that the organisation's performance can continually improve.

# **Course Objective**

This course will enable delegates to:

- Identify the most effective P3O model to adopt to ensure strategic objectives are delivered.
- Understand the value a P3O can offer an organisation and how it can be measured.
- Identify the functions and services a P3O would offer.
- Know the roles and responsibilities needed to effectively deliver a P3O service.
- Practice a range of strategic analysis and portfolio modeling techniques used within a P3O.
- Understand the relationship between Strategy, Portfolio, Programme and Project Management.
- · Learn how to implement or re-energise a
- Understand the business case for a P3O and how it integrates with the P3M3® Maturity Model.

# **Target Group**

The training is appropriate for anyone requiring an understanding of Portfolio Management, Programme Management, setting up a PMO or the supporting environment for successful programmes and

Managers attempting to provide a structure for prioritisation and control of corporate organisational investments.

There are no pre-requisites for studying this course or qualification other than an understanding of the project and programme environment.

# Approach

The event will be delivered by APMG approved P3O Trainers with practical experience of using the P30 model.

The style of delivery will be instructor-led with the trainer taking attendees through each elements of the course content and illustrating each key point with examples.

Questions and discussions will be encouraged throughout the event.

Joining instructions including pre-course study pack and P3O manual are sent out approximately 1-2 weeks before the course start date. Typically pre-course preparation will require 6-8 hours of study.

# **Info Spec established Since 1983**

Info Spec is the FIRST Accredited Training Organisation (ATO) in Malaysia for PRINCE2® (Project In A Controlled Environment), P3O® (Portfolio, Programme & Project Offices), MoP® (Management of Portfolios), MSP® (Managing Successful Programmes), OBASHI® (Business & IT Management Method).
